

Message from the AMAGP Chair

Good day AMAGP Members and Pensioners

As Chairperson of AMAGP, I'm happy to report on a very successful year for AMAGP, with new developments on our strategy, Website & marketing for contributions to ensure resources for Protecting our pension in various ways.

We would like to wish you and your loved ones a Merry Christmas and Safe/ successful New Year. Less than 5% members are presently contributing towards AMAGP's objectives; we must increase this in 2025 to at least 20% by means of new Debit Order system! You will find numerous new videos on our website, of interest to all who care.

Bestuur wens u en u geliefdes 'n gelukkige Kersfees toe, asook n baie voorspoedige/veilige nuwe jaar. Minder as 5% lede dra tans by; in 2025 wil ons bydraende lede verhoog na 20% deur middel van ons nuwe en professionele Debit Order stelsel. U sal verskeie nuwe video's op ons Webwerf vind wat in belang van alle lede is om te weet wat die bedreigings teen ons fonds is.
