VERSKONING DEUR DIE SPEAKER VAN DIE PARLEMENT

Die Speaker van die parlement het pas voor die Zondo- kommissie om verskoning gevra vir die gebrek aan optrede deur die parlement toe dit duidelik geword het dat dinge in verband met staatskaping besig was om skeef te loop.

Gaan die Minister van Finansies, die Openbare Beleggings korporasie (OBK) en Raad van Trustees (RvT.)van die Staatsdienspensioenfonds (GEPF) haar voorbeeld volg ?

Op 17 Oktober 2017 by n vergadering van die Staandekomitee van Finansies wat ek en 'n kollega namens AMAGP bygewoon het, het die voorsitter die Adjunk Voorsitter van die OBK en die Voorsitter van die RvT herhaaldelik gevra of hulle 'n gevaar vir hul organisasies sien in die beweerde staatskaping. Toe hulle sy vrae bly ontwyk, het hy hulle soos kinders gestuur om hul huiswerk te gaan doen en terug te kom met antwoorde.

Sou dit nie goed gewees het as die RvT van die GEPF na die verslag deur die Mpati Kommissie ook om verskoning vra vir die verliese ens deur die OBK/ GEPF, Eerstens, as gevolg van hul nie- nakoming van hul algehele verantwoordelikheid vir die welstand van die pensioenfonds; en Tweedens vir

hul gebrek aan behoorlike monitering van beleggings nie ? Dit kon die pensioenfonds miljarde gespaar het.

Miskien 'n bietjie laat hiervoor? Dan kan pensionarisse gerus om verskoning gevra word vir die gebrek aan optrede dusver om verliese te herstel. Of is hulle besig om miljarde in die geheim terug te vorder?

Wiil die RvT nie maar die die Speaker se onderneming van toewyding en optrede teen korrupsie en ander ongerymdhede hul eie maak nie? Die Speaker se ook dat die parlement die Zondo - kommmissie ondersteun. Sê die GEPF dit ook ten opsigte van die Mpatkommissie en sy aanbevelings?

APPOLOGY BY THE SPEAKER OF PARLIAMENT

The Speaker of Parliament has apologized before the Zondo Commission for the absence of conduct and action on the side of parliament regarding state capture.

Are the Minister of Finance, the Public Investment Corporation (PIC) and the Board of Trustees (BOT) of the Government Employees Pension Fund (GEPF) going to follow her example?

On 17 October 2017 at a meeting of the Standing Committee for Finance attended by Mr AP Stemmet and a colleague on behalf of AMAGP the Chairman repeatedly asked the Deputy Chairman of the PIC and the Chairman of the Board of Trustees of the GEPF if they saw any danger for their organizations in the allegations of state capture. They continued to avoid answering his questions and, like children, he sent them home to do their homework and to return with answers.

Would it not be nice if the BOT of the GEPF in view of the findings of the Mpati Commission also apologize for the losses suffered through the PIC/GEPF. Firstly, as a result of their non-compliance with their accountability regarding the welfare of the pension fund and secondly for their lack of proper monitoring of investments? This would have saved the pension fund billions.

Maybe it is now to late for this? However, they can apologize to the pensioners for lack of action to recover losses. Or are they engaged in secret to recover billions?

Would the BOT not also make the Speaker's undertaking of devotion and action against corruption and other incongruous matters their own? The Speaker also said that Parliament supports the Zondo Commission. Does the GEPF say the same pertaining to the Mpati Commission and its recommendations?
