Become an AMAGP member and help us to secure our pension fund

The Executive Committee of the Association for Monitoring and Advocacy of Government Pensions (AMAGP) has since 2016 been monitoring information on investment practices and detected abuse of pension funds due to the neglect of the fiduciary functions of the Public Investment Corporation' (PIC).

By 2021 we noticed that the 'impropriety' at the PIC continued unabated. We embarked on a mass mobilization process with as key message that only litigation to challenge the legislation that legalize political control over the GEPF (and the PIC) will contribute to the sustainability of our pension fund. The legal processes will unfortunately require extensive funds.

We therefor request all state employees, pensioners and beneficiaries to join AMAGP, or those who have already joined, to voluntarily make financial contributions to assist the AMAGP to achieve our objective to secure our pension fund.

We need to mention that members of the AMAGP Executive Committee tendered their services pro bono at no cost and that funds are also utilised for other AMAGP activities such as petitions, information sessions and the creating of national and provincial structures.

We highly appreciate those members who brought us financially to where we are today. For those who may consider joining AMAGP and contribute financially, you can do so in the following manner:

1. Member application without any compulsory contribution: click on the link

Any person (member or not) can voluntarily financially contribute via payment into our AMAGP account (EFT). Bank details can be found on the Web Site as part of the “AMAGP Membership” Section. Link = https://www.amagp.co.za/index.html#join_amagp

We once again give an undertaking that the funds will be utilized in the best interest of its members to protect the sustainability of our pension fund.
